Matt,

I just added the OSR section and tweaked the RCRA section for consistency. Let me know if it needs anything else. Thanks.

Hi all,

I've uploaded the combined document to SharePoint [here](#). Note that it displays best when viewed in Word, not when edited in the web browser.

**Ex. 5 AC/AWP/DP**

Lucita – The other sections were all drafted as paragraphs, rather than bullets. Do you want to reformat the SDWA section to match?

Also – Kimi and I discussed a potential consistency approach for the various sections: to state the issue for each section, then get into the facts and conclusion. If you all think this would be useful, please edit your section accordingly.

Thanks,

Hello –

Per the scheduler note, here is a (very) rough framework for a short briefing paper for KC – if you all don't mind sending me whatever you would like included in each section, I'll throw it together before our briefing. Let me know if I left anything out. No rush...  
Thanks! Kimi
